God is doing new things in our day!

*Do not remember the former things, nor consider the things of old. Behold, I will do a new thing, Now it shall spring forth; Shall you not know it? I will even make a road in the wilderness And rivers in the desert. (Isaiah 43:18-19)*

So many believers have a difficult time dealing with change. They don't like that which is new or different because they're unwilling to make the changes that may be required of them. We must understand that if you and I are going to flow with the Spirit of God, we must be willing to change whenever He commands it to be done. This passage from Isaiah 43 says that we must perceive when God is doing a new thing. Not only that, we need to recognize that it is God doing it, and that it's incumbent upon us to obey at that moment. The bottom line is that you and I must commit ourselves to the new thing God wants done. Our Father is looking for people who won't dig in their heels and resist change, but will flow with it.

In this year, which is a year of abundance, it is God's plan for His faithful ones to flourish and abound. We will continue to preach and teach the cross, and the importance of our faithfulness to the call. These are the last days of the last days. As we are obedient and diligent to take the Gospel to the world by every available means, the Lord will bless us with everything we need to accomplish the Great Commis-

sion. God will cause us to overcome every attack of the enemy. Our Father will bring us forth to the greatest breakthroughs we've experienced thus far. He makes us more than conquerors through Jesus Christ, our Lord.

As we begin the new year of 2019, let's embrace God's changes in our lives so we can continue on. Let us lift our hands and voices to praise Almighty God, to whom we belong and serve. He is our God, Who blesses and causes us to abound for His glory!

Laborers together in Christ,

— Tony
